

1st Call for papers

International conference

„Liberec Informatics Forum 2018“

which will be held on 25th October 2018
at Technical University of Liberec (TUL)

The conference is organized under the auspices of dean of the Faculty of Economics of TUL
Prof. Ing. Miroslav Žižka, Ph.D.,

by

Department of Informatics FE TUL
In cooperation with
North Bohemian unit of
Czech Society for Systems Integration

The focus of the conference subtitled
ICT in the role of services - state of the art and perspectives
is more closely specified by the opening contributions

Whom the conference is intended for:

The conference is designed for information managers, business managers, consultants, civil servants, academics, graduates and students of IT degree courses. The conference will represent a space for meetings and exchanges of experts in IS / ICT in the areas of theory as well as of practice.

We are looking forward to receive your contribution. For its presentation at our international conference we offer you the following conditions:

- Send the complete contribution till 5th September 2018 (in the English language).
- Follow the paper guidelines available at <http://efis.tul.cz/LIF2018>.
- Based on the review process, by 15th September 2018, authors will receive a statement of acceptance of the contribution for presentation and publication with comments and recommendations for modification of the camera-ready paper.
- Deadline for submission of the camera-ready version of the paper is 1st October 2018.
- Accepted papers will be published in the proceedings with ISBN, which will be sent for registration in the databases Scopus and Web of Science.

Presentation time is 15 minutes + 5 minutes for questions and discussion.
